

Proof of Industrial Visit Conducted

This is to certify that an Industrial Visit was successfully conducted by **Karyoun Innovations Pvt. Ltd.** for the students of:

Institution: Jayaraj Annapackiyam CSI Polytechnic College

Department: Computer Science and Engineering – II Year

Date of Visit: 17/06/2025

Number of Students: 60

Purpose: To provide practical exposure to **Mobile App Development using Flutter**, including UI/UX design, coding practices, and deployment techniques.

Activities Conducted:

- Introduction session and company overview presentation.
- Demonstration of cross-platform app development using **Flutter**.
- Hands-on walkthrough of UI design using **Flutter widgets and Dart**.
- Overview of backend integration using APIs and Firebase.
- Live coding session to build a simple functional mobile application.
- Interaction session with mobile developers and Q&A.

We appreciate the active participation of the students and staff from **Jayaraj Annapackiyam CSI Polytechnic College**.

The team at **Karyoun Innovations** looks forward to continued academic-industry collaboration.
